

**Sonia Jones**

b 1955, Wales. Singer

From huge singing family - everyone sang at family occasions. Dad had 7 brothers and 3 sisters - all sang. Joined choir aged 9. Came to London aged 14 and started singing professionally aged 16 - vocal sessions for bands, gigs, recording - TV show "Oh Boy", TV entertainment shows. Working in studios all around Soho - running from one to another. Could do particular voices and impersonations, harmonies, backing vocals. Needed to be in Union is past - no longer need to.

Worked hard and played hard!

Her job doesn't exist anymore - now does bands a lot, tours, teaches well known singers for record companies. Film scores.
